Statement from PUCT Chairman Thomas Gleeson on Selection of New ERCOT Board of Directors Chair and Vice Chair

“Former Congressman Bill Flores and Peggy Heeg are outstanding choices to lead the ERCOT Board of Directors. Both joined ERCOT at a pivotal time and have worked tirelessly to ensure grid reliability. Bill is a proven leader and has been a consensus builder throughout his career in public service and building a successful energy company. Peggy brings deep industry expertise and a track record of business leadership to the Board,” said Public Utility Commission of Texas Chairman Thomas Gleeson. “I look forward to continuing our work to strengthen grid reliability, meet our state’s growing demand for power and ensure access to affordable electricity for Texans.”
