1. PRICE FOR BASIC FIRM SERVICE

Your Large Service Provider (LSP) is a Provider of Last Resort designated by the Public Utility Commission of Texas and will provide POLR service. Your LSP will provide basic firm service, defined as electric service not subject to interruption for economic reasons and that does not include value-added options offered in the competitive market. The LSP rate for your electric service will be based on the formula detailed below.

Your rate for POLR service will be derived from the following formula:

$$\text{LSP rate (in \$ per kWh)} = (\text{Non-bypassable charges} + \text{LSP customer charge} + \text{LSP energy charge}) / \text{kWh used}$$

Where:

- (i) Non-bypassable charges shall be all TDU and other non-bypassable charges and credits for the appropriate customer class in the applicable service territory, including ERCOT administrative charges, nodal fees or surcharges, Reliability Unit Commitment (RUC) capacity short charges attributable to LSP load, and applicable taxes from various taxing or regulatory authorities, multiplied by the level of kWh and KW used, where appropriate.
- (ii) LSP customer charge shall be \$0.06 per kWh.
- (iii) LSP energy charge shall be the sum over the billing period of the actual hourly Real-Time Settlement Point Prices (RTSPPs) for the customer's load zone that is multiplied by the number of kWhs the customer used during that hour and that is further multiplied by 120%.
- (iv) "Actual hourly RTSPP" is an hourly rate based on a simple average of the actual interval RTSPPs over the hour.
- (v) "Number of kWhs the customer used" is based either on interval data or on an allocation of the customer's total actual usage to the hour based on a ratio of the sum of the ERCOT backcasted profile interval usage data for the customer's profile type and weather zone over the hour to the total of the ERCOT backcasted profile interval usage data for the customer's profile type and weather zone over the customer's entire billing period.
- (vi) For each billing period, if the sum over the billing period of the actual hourly RTSPP for a customer multiplied by the number of kWhs the customer used during that hour falls below the simple average of the RTSPPs for the load zone located partially or wholly in the customer's TDU service territory that had the highest simple average price over the 12-month period ending September 1 of the preceding year multiplied by the number of kWhs the customer used during the customer's billing period, then the LSP energy charge shall be the simple average of the RTSPPs for the load zone partially or wholly in the customer's TDU service territory that had the highest simple average over the 12-month period ending September 1 of the preceding year multiplied by the number of kWhs the customer used during the customer's billing period multiplied by 125%. This methodology shall apply until the commission issues an order suspending or modifying the operation of the floor after conducting an investigation.

2. SECURITY

LSP shall not require a cash deposit if you are able to provide the LSP with a Credit Reference Letter that includes the following representations: 1) you have been a customer of any retail electric provider within the two years prior to your request for electric service or prior to your transfer to POLR service; 2) you are not delinquent in payment of any such electric service account; and 3) you were not late in paying a bill more than once during the last 12 consecutive months.

A residential customer shall also be deemed as having established satisfactory credit and shall not be required to pay a cash deposit if the customer possesses a satisfactory credit rating obtained through an accredited credit reporting agency.

A residential customer of a REP that has obtained a current list from the Low-Income List Administrator (LILA) may be eligible for additional deposit assistance.

If these conditions do not apply, LSP may require a cash deposit unless you can demonstrate to the LSP any of the following prior to the due date of the cash deposit: 1) you are 65 years of age or older and you are not currently delinquent in payment of any electric service account; 2) you are a victim of family violence as defined by the Texas Family Code § 71.004, and as determined by a family violence center, or by treating medical personnel;* or 3) you are medically indigent.**

*This determination shall be evidenced by submission of a certification letter developed by the Texas Council on Family Violence. The certification letter may be submitted directly by use of the toll-free fax number listed below to LSP.

[Insert toll-free FAX Number]

** To be considered medically indigent, the customer must demonstrate that the following criteria are met: the customer's household income must be at or below 150% of the poverty guidelines as certified by a governmental entity or government funded energy assistance program provider, and either of the following must apply: (i) the customer or the customer's spouse has been certified by that person's physician (for the purposes of this subsection, the term "physician" shall mean any medical doctor, doctor of osteopathy, nurse practitioner, registered nurse, state-licensed social worker, state-licensed physical and occupational therapist, and an employee of an agency certified to provide home health services pursuant to 42 U.S.C. §1395 et seq. as being unable to perform three or more activities of daily living, as defined in Title 22, Texas Administrative Code, Section 218.2, or (ii) the customer's monthly out-of-pocket medical expenses exceed 20% of the household's gross income.

CASH DEPOSIT

- 1) Your cash deposit, if required, may not exceed one fifth (1/5) of your estimated annual billing. You may also be required, in the future, to pay an additional cash deposit if you have been issued a disconnection notice within the last 12 months or if you have been a customer for 12 months and your billings are more than twice the amount estimated to determine your cash deposit. Instead of an additional cash deposit, you may pay the total amount due by the due date of the bill, provided you have not exercised this option in the previous 12 months.
- 2) LSP may require a deposit to be provided after 15 calendar days of service if you receive 10 days' notice that a deposit is required.
- 3) A written letter of guarantee may be used in lieu of paying a cash deposit. The guarantor must become or remain a customer of the LSP for the term in which the guarantee is in effect. If the guarantor fails to become, or ceases to be, a customer of the LSP, the LSP may require the customer to pay the initial or additional cash deposit as a condition of continuing the contract for service.
- 4) Upon default by a residential customer, the guarantor of the customer's account shall be responsible for the unpaid balance of the account only up to the agreed amount in the letter of guarantee. The LSP shall provide written notification to the guarantor of the customer's default, the amount owed by the guarantor, and the due date for the amount owed. The guarantor will have 16 calendar days from the date the notice is issued to pay the amount owed on the defaulted account. If the 16th day falls on a holiday or weekend,

the due date shall be the next business day. The LSP may transfer the amount owed on the defaulted account to the guarantor's own electric service bill provided the guaranteed amount owed is identified separately on the bill.

- 5) The LSP may initiate disconnection of service to the guarantor for nonpayment of the guaranteed amount within ten calendar days of issuance of a notice of disconnection.
- 6) Your service may be disconnected for failure to pay the required cash deposit within ten calendar days of issuance of a notice of disconnection of service.
- 7) A disconnection notice may be issued concurrently with either the written request for the cash deposit or current monthly bill for electric service. Disconnection means a physical interruption of electric service.
- 8) You will accrue interest on your cash deposit(s) with LSP. Each year in December, the PUCT establishes the interest rate LSP will apply to your cash deposit for the next calendar year.
- 9) Your cash deposit and accrued interest, less any outstanding balance owed for electric service, will be refunded to you upon closing of your account with LSP.
- 10) Your cash deposit and accrued interest will be refunded if you pay your bills for 12 consecutive months without having any late payments. A REP may refund the deposit to you through a bill credit.
- 11) The guarantee agreement will be terminated if you pay your bills for 12 consecutive months without your service being disconnected for nonpayment and without having more than two delinquent payments within the last 12 months.

3. BILLING

- 1) You will be billed for the amount of electricity that you consume.
- 2) Billing statements will reflect the total charges for POLR services provided by LSP.
- 3) Your bill will be due upon receipt and will be considered delinquent if it is not paid by the 16th day after issuance of the bill.
- 4) The LSP or a REP affiliated with the LSP shall offer a level or average payment plan if you are not currently delinquent. You may be required to select a competitive product offered by the LSP or a REP affiliated with the LSP to receive the level or average payment plan. LSP offers deferred and level payment (also known as budget) plans. Please contact LSP at the 24-hour customer service number below for information about these options.
