OF TEXAS

ORDER SETTING CPI-ADJUSTED CITY-PREFERRED
ACCESS LINE RATES FOR YEAR 2015

This Order addresses city-preferred access line rates for the Year 2015. Pursuant to 16 Tex. Admin. Code § 26.467(j) and Tex. Loc. Gov't Code § 283.055(g), Texas cities are allowed to annually revise their access line rates by an amount equal to one-half the annual change in the most recent consumer price index (CPI). For the year 2014 this amount equals 0.8449%.

On March 10, 2015, the Public Utility Commission of Texas (Commission) issued an Order¹ approving a 0.8449% increase in maximum access line rates for Texas cities with Commission-approved rates. However, since several cities adopt less than maximum rates, the Commission also ordered that:

- A municipality whose 2014 city-preferred access line rate(s) is below its 2014 CPI-adjusted maximum access line rates will remain at its 2014 city-preferred rate(s) unless it notifies the Commission of its desired rates by April 30, 2015.
- For a municipality whose 2014 city-preferred access line rate(s) is equal to its 2014 CPI-adjusted maximum access line rate(s), the new 2015 city-preferred access line rate will be set equal to the new 2015 CPI-adjusted maximum access line rate(s) unless the municipality notifies the Commission of its desired rate(s) by April 30, 2015.

In response to that Order, several cities responded to the Commission either by affirming the Commission's default rates or by declining the default rates and choosing different rates.

238

On October 23, 2001, the Commission issued an order delegating authority to Staff to administratively approve revisions to access line rates.² This Order is being issued pursuant to that authority.

Ordering Provision

Attachment A to this Order contains the Year 2015 city-preferred access line rates incorporating any adjustments requested by the cities. These rates are approved and shall be implemented prospectively no later than July 1, 2015.

SIGNED AT AUSTIN, TEXAS the 7th day of May 2015.
