**NOTICE OF APPROVAL SETTING CPI-ADJUSTED CITY-PREFERRED  
ACCESS LINE RATES FOR YEAR 2021**

This Notice of Approval addresses city-preferred access line rates for the year 2021. Under 16 Texas Administrative Code § 26.467(j) and Texas Local Government Code § 283.055(g), the Commission annually revises the access line rates for Texas municipalities by an amount equal to one-half the annual change in the most recent consumer price index (CPI). For the year 2021, this amount equals an increase of 0.4820%.

On March 5, 2021, the Commission approved a 0.4820% increase in maximum access line rates for Texas municipalities with Commission-approved rates.<sup>1</sup> However, because several municipalities adopt rates less than the maximum allowed, the Commission also ordered that:

- A municipality whose 2020 city-preferred access line rates are below its 2020 CPI-adjusted maximum access line rates will remain at its 2020 city-preferred rates unless it notifies the Commission of its desired rates by April 30, 2021.<sup>2</sup>
- For a municipality whose 2020 city-preferred access line rates equal its 2020 CPI-adjusted maximum access line rates, the new 2021 city-preferred access line rates will be set at the new 2021 CPI-adjusted maximum access line rates unless the municipality notifies the Commission of its desired rates by April 30, 2021.<sup>3</sup>

In response to that order, several municipalities responded to the Commission either by affirming the Commission's default rates or by declining the default rates and choosing different rates.
